- If a participant falls out of the race by any reason, he or she should inform the nearest member of the organization team. The marathon organization team or medical staff are entitled to stop a participant from the race if they consider it necessary.

## 13. Doping control

The organization team of marathon has the right to perform doping control on any winner of first, second or third place on any distance, except the 1km kids race. All winners must be ready to undergo a doping control test. A winner has the right to refuse taking a doping control test, however that will automatically disqualify him/ her from the winner position, and he/she will lose the right for the monetary award if such is applicable. Final protocol of winners is announced after the doping control test results are available. Doping control tests are performed by independent internationally accredited agencies. All runners who have tested positive for the doping test are disqualified from their winning position and will not receive monetary award if such is applicable. The position and award will go the runner with the next best result in the finish protocol.

## 13. Disqualification

- The Marathon organization team members are entitled to disqualify the participants from the race who fail to pass doping control, do not follow the race rules, disturb or behave aggressively towards to other participants, or in any other way hinder the race/competition.

## 14. Timing System

- Participant’s results are measured using electronic timing equipment. Each participant will receive an individual timing chip. Each participant will have recorded the net time of running the distance.

## 15. Award Ceremony

- Individual competition winners are awarded based on gun time for the first three male and female finishers, after confirming by the timing system that they have passed all check points and have passed doping control, if it is performed.
- Award cups will be awarded to male and female individual competition winners with top three results at the distances of 42,2km, 21.1 km, 12 km, 5 km and 1km kids race.
- The organizational team may announce monetary prize for specific distances (except for 1km kids race). Monetary prizes are awarded to participants via electronic transfers to bank accounts, after final finish protocol is released, and after winners provide organizers with valid identification, contact information and bank account information. Failure to provide the necessary information before November 30, 2019 makes the winner no longer eligible for monetary award. Monetary prizes are awarded net of income tax based on Republic of Armenia legislation.
- Age category winners are awarded with certificates based on net time, equal to time difference between the start line crossing time and the finish line crossing time.
- Award certificates will be provided to male and female winners in age categories for the distances of 42,2km, 21,1 km, 12 km, and 5 km.
